Meeting Minutes for the
Administrative and Academic Support Assessment Committee Meeting
Monday, December 13, 2010, 10:00 – 11:00 a.m.
Office of the Provost Conference Room

In attendance: Ray Bonhomme (Chair), Randy Alford, Jody Bagdonas, Monica Baloga (non-voting), Rodney Bowers, Brian Ehrlich, Tristan Fiedler, Wendy Helmstetter, John Milbourne, Rodd Newcombe, Rick Rummel, Beverly Sanders, John Windsor, Leslie Savoie (non-voting)

Absent: Tom Marcinkowski, Bob Rowe

The Chair, Dr. Ray Bonhomme, began the meeting by commenting on the recent institutional reorganization, which may result in changes to the current AASAC membership and more appropriate reorganization of the members serving on Divisional Review Committees. He commented that this would be brought up with Provost McCay, and decisions would be made before the next meeting in January. The Chair then turned the meeting over to Dr. Monica Baloga, who coordinated the rest of the meeting.

Dr. Baloga first asked if there were any comments on or changes to the November meeting minutes. The members unanimously voted to approve them unchanged and with no additions.

Dr. Baloga then introduced the web-based assessment management system, WEAVEonline, and demonstrated how it will be used (1) to input operational and learning outcomes, measures, and achievement targets, (2) to align those outcomes with the university mission, with SACS standards, with Initiatives in the Strategic Plan, etc., (3) to input data associated with assessment of outcomes, and (4) to upload action plans based on the results of assessment. She also showed the reporting function that would allow administrators to quickly determine the number and identity of units who have or have not submitted assessment-related items and to see their status as a “draft” or “final” submission.

The meeting continued with discussion on the document outlining the roles and responsibilities for AASAC members, Assessment Coordinators, and Divisional Review Committees. Each section of the document was separately revised and unanimously approved by all voting members attending the meeting. See the appended document for the revised sections.

No action items were given. The next meeting will be scheduled in January on a Monday, from 10-11 a.m. Committee members will be informed of changes to membership before that time.
