**Total** | **19–21 credit hours**

**Restricted electives**

The department offers many elective courses of 3 or 4 credit hours each. Courses of 4 credit hours include a laboratory. At least one restricted elective must be a laboratory (4-credit-hour) course. The remaining 7 to 9 credit hours may consist of any combination of courses of 3 or 4 credit hours: $4 + 3$, $4 + 4$, $3 + 3 + 3$. Courses not allowed as electives include independent study courses, seminar courses, and non-majors biology courses.

Biochemistry majors may not minor in biology.
