Re: Correction to EHC 1103 designation

It has recently come to my attention that when EHC 1103 was approved as a course offering, the HU designation was not indicated. This lack of designation is creating problems when students run their CAPP report. Attached is the form requesting such designation. It has the concurrence of the Humanities department and the Dean of CoPLA.
The addition or removal of any restriction or change in credit hours in a course requires that this form, accompanied by any supporting documentation, be completed and approved as indicated below.
