Re: CGR in three Physics and Space Sciences programs.

Dear Dr. Archambault,

Please find included one matter for the Undergraduate Curriculum Committee meeting on April 25th, 2014.

The Department of Biological Sciences will no longer be teaching BIO 1200 Introduction to Health Professionals. Therefore, we need to change the graduation requirements of our Premedical Physics program.

**CGR Physics – Premedical Physics, B.S.** We have simply removed BIO 1200 from the spring of the freshman year. There are now 17 credits in this semester, and 128 credits in the program overall. The CGR form is included.

Respectfully submitted:
