INTEROFFICE MEMORANDUM

TO: UNDERGRADUATE CURRICULUM COMMITTEE
FROM: MARSHALL JONES
SUBJECT: CHANGES IN CRIMINAL JUSTICE COURSES AND DEGREE PROGRAM (7620)
DATE: NOVEMBER 18, 2014
THROUGH: MARY BETH KENKEL, DEAN, COLLEGE OF PSYCHOLOGY AND LIBERAL ARTS

We respectfully submit the following items for your consideration:

Adding a new course:

1. **CRM 3105: Contemporary Policing Strategies**

   We request to add the new course to stay in line with the current trends in community policing strategies. These strategies, which have changed in the last 5-7 years, have moved beyond community policing into more problem oriented, intelligence-led policing and the development of such programs. Unfortunately, in order to change the description of the existing CRM 3507: Community Policing to encompass such changes, we have to add a new course and end-date CRM 3507.

Prerequisite changes:

1. **CRM 4108: Police Organizations and Administration** we are requesting the removal of CRM 3507: Community Policing and replacing with CRM 3105: Contemporary Policing Strategies

2. **CRM 4990: Problem Solving in Criminal Justice** we are requesting the removal of CRM 3507: Community Policing and replacing with CRM 3105: Contemporary Policing Strategies

Program Changes:

1. **BA Criminal Justice (7620)** we are requesting to remove CRM 3507 from the curriculum and replace the course with the newly added course CRM 3105.
# Adding a New Course to the Curriculum

This course is available for student registration only after the approval process has been completed.

**Florida Institute of Technology**

Syllabus: CRM 3105 Contemporary Policing Strategies

Credit Hours: 3

Description:

Prerequisites: CRM 3104 and PSY 2510

Required Textbooks and Materials:

Objectives:

Upon completion of this course, students should be able to:

1. Compare and contrast community policing, problem-oriented policing, and intelligence-led policing.
2. Outline the history and development of policing models from the Reform Era through Intelligence-led Policing.
3. Identify current and emerging best practices in policing strategies throughout the United States.
4. Recognize international policing strategies adaptable to American law enforcement.
5. Recognize and discuss strengths and weaknesses of traditional police tactics and strategies.
6. Discuss crime analysis as a key factor in Intelligence-led Policing.
7. Propose approaches to educate and gain acceptance for new strategies from all levels of the law enforcement organization.
8. Recognize and evaluate the impact of policing strategies on citizen privacy and constitutional rights.

Course Requirements: This course includes a variety of discussion issues, readings, exercises, lectures and assessments.

Grading Scale:
