FINISH IN FIVE

Florida Tech's Fast Track Master's Degree Programs

Accelerated master's programs give highly motivated students the chance to take graduate course work while still an undergraduate, thus allowing them to finish a master's degree in less time than they could in a traditional program. Students interested in pursuing a Fast Track Master's Degree at Florida Tech should refer to the program descriptions and requirements below and apply by submitting the completed Fast Track Master's Degree Program Supplemental Application .

FAST TRACK PROGRAM DESCRIPTIONS AND REQUIREMENTS

B.S./M.A.T. (Master of Arts in Teaching)

Combines a bachelor's degree with a master's degree in teaching. Any undergraduate major with a 3.0 cumulative GPA who has completed 95 credits is eligible.

B.S./M.S. in Aviation (Airport Development and Management, or Applied Aviation Safety)

Combines a bachelor's degree with a master's degree in aviation. Any undergraduate major with a 3.4 cumulative GPA who has completed 95 credits is eligible.

B.S./M.S. in Aviation (Human Factors)

Combines a select bachelor's degree with a master's degree in aviation human factors. All aeronautics, applied psychology, computer science or engineering undergraduate majors with a 3.4 cumulative GPA who have completed 95 credits are eligible.

B.S./M.B.A. (Master of Business Administration)

Combines a bachelor's degree with a master's degree in business. Aviation management or business majors are eligible. For undergraduate majors outside of the business area, completing M.B.A. core course requirements may be accomplished using undergraduate free electives, social science electives

and business or technical electives. A 3.25 cumulative GPA is required for all majors having completed 95 credits.

B.S./M.S. in Computer Science

Combines a bachelor's in computer science with a master's degree in computer science. Computer science majors with a cumulative 3.4 GPA and who have completed 95 credits are eligible.

B.S./M.S. in Engineering

Combines a bachelor's degree in engineering with a master's degree in engineering. Engineering majors with a cumulative 3.4 GPA and who have completed 95 credits are eligible.

B.S./M.S. in Science

Combines a bachelor's in science with a master's degree in science. Science majors with a 3.4 cumulative GPA who have completed 95 credits are eligible.

B.S./M.S. in Technical and Professional Communication

Combines a bachelor's degree with a master's degree in technical and professional communication. Any undergraduate major with a cumulative 3.4 GPA who has completed 95 credits is eligible.

- B.S./M.S.A.
- B.S./M.S. in Aviation Human Factors
- B.S./M.B.A.
- B.S./M.A.T.
- B.S./M.S. in Technical and Professional Communication
- B.S./M.S. in Computer Science
- B.S./M.S. in Engineering
- B.S./M.S. in Science

APPLICANT'S SIGNATURE

_____ Date ____/____/____

Dear Student,
"By transferring to Florida Tech, you are already on the right track. Now get on the fast track. By enrolling in one of Florida Tech's accelerated programs, you will get a master's faster, cheaper and better than you could via traditional master's programs at other schools. You chose Florida Tech because it is the right place to complete your bachelor's—I promise it is the right place to get your master's as well."

Gary Hamme
Vice Provost for Enrollment Management
