- Asian
- Black or African American
- Native Hawaiian or other Pacific Islander
- White

ADVISER: RODD NEWCOMBE, ACADEMIC SUPPORT CENTER
MAJOR CODE: 0011

Program Features

1. This program is open to any high school student who is currently in or entering the senior year in high school and who is attending a private or public high school in Brevard or Indian River counties desiring to take courses at Florida Tech (space available basis).
2. The student is limited to a maximum of 12 semester hours.
3. Any high school senior completing six or more credits at Florida Tech with a 3.0 overall GPA is guaranteed:
 - admission to Florida Tech upon completion of the full-time undergraduate admission process and
 - a minimum of \$5,000 academic scholarship support per year upon full-time enrollment at the university.
4. Tuition, while enrolled as a special high school student, is \$100 per credit. Some Florida Tech courses and other costs are not included in this tuition offer (i.e. textbooks and supplies, flight training, internship courses and others as determined by the university). Flight training costs are incurred at the current training rates. This cost is in addition to university tuition.
5. Credits will be recorded on a Florida Tech transcript at the end of each semester (There is a \$5 transcript request fee). Upon matriculation as a full time undergraduate student, the tuition rate will be the current Florida Tech tuition rate at that time.

Application Process

1. Complete this form and submit with the \$20 application fee to Florida Tech's Undergraduate Admission office.
2. Submit a high school transcript. Transcripts must indicate the potential to be successful in rigorous college level courses.
3. Submit SAT or ACT scores.
4. Submit a plan of courses the student intends to complete at Florida Tech.
5. Submit official letter of endorsement from the high school principal.

When all application materials are submitted, a decision regarding dual admission as a Special High School Student will be made.

I understand and agree to the terms and conditions set in this document
